Prospects Bright For 1941 Car Sales

De Soto executives expect 1941 sales to top any previous year since the first De Soto was built, according to Ole S. Oleson, De Soto-Plymouth dealer.

"Fluid drive with simplimatic transmission, the widely-hailed invention that is taking the spotlight in De Soto this year, is writing sales history for our organization," declares Oleson, "and it is receiving due praise as heading any other invention of recent years in promoting more ease and safety in driving. With this revolutionary invention the motorist can start out in high gear, stop, and start again still in high, totally eliminating gear shifts and clutch pedal operations, leaving his hands free for steering.

"Although this is the most talked-about of all improvements in the new 1941 De Soto, many others approach it in importance. We thought last year's car had reached the ultimate in elegance nad mechanical features but engineers and designers have outshone even their former achievements in the beauty and mechanical perfection of the 1941 models."

1940 Automobile Sales May Surpass 1939's

Should the current rate of automobile sales continue, it is possible that 1940 may even surpass the industry's banner year of 1929, according to Harry Dearborn, Chrysler - Plymouth dealer here.

Sales for the final quarter of the year promise to total 1,300,000 passenger car and truck units, stated Dearborn. Of this total it is believed the Northern California area will contribute a better-than-average share in ratio to population, in comparison with the balance of the nation. Sales of Chryslers in Northern California for November, as compared to November a year ago, show the phenomenal increase of more than 110 per cent.

"This unprecedented volume of business," declared Dearborn, "far surpasses our original estimates for the final 3 months of this year. In spite of it, however, we have been able to maintain a fairly consistent schedule of local deliveries to purchasers, and within the next week or two, it is expected that all orders now on file will be filled."

From 1760 to 1840 many New Yorkers, instead of using calling cards, left ordinary playing cards.

Some New Recipes

RUSKETS PINEAPPLE FRITTER STICKS

- 8 canned pineapple sticks (pineapple sliced lengthwise)
- 1 egg
- ¾ cup finely crushed Ruskets
- ¼ cup flour
- ½ teaspoon baking powder
- 1 tablespoon powdered sugar
- ¼ teaspoon salt
- ⅓ cup milk

Combine milk and well beaten egg. Add dry ingredients, sifted together, and finely crushed Ruskets, beating constantly. Roll pineapple sticks in batter. Fry in deep fat until golden brown. Delicious and colorful to "dress up" any meal. Serves eight. Ruskets is the new California breakfast cereal with many uses available at your grocer's.

'SUNSHINE' EGGS WITH RUSKETS

Sauce:

- 1 tablespoon finely chopped onion
- 2 tablespoons fat
- 3 tablespoons flour
- ⅓ teaspoon salt
- ⅛ teaspoon paprika
- 2 cupfuls milk
- 2 tablespoons grated cheese
- 6 hard-boiled eggs
- 6 Ruskets biscuits
- 1 canned pimiento

To make sauce: cook onion in fat until yellow—do not brown. Add flour, paprika and salt and blend together. Add milk gradually, stirring constantly. Stir smooth and cook until thickens. Add cheese and cook only long enough to blend the cheese in smoothly.

Cut eggs lengthwise into quarters and arrange on Ruskets biscuits. Cut pimiento into strips. Pour sauce over eggs and Ruskets and garnish with strips of pimiento. Serves six. Ruskets is the new flaked whole wheat cereal with many other uses now at your grocers.

Rip Rap at Airport Nearing Completion

Construction of 500 feet of rip rap along San Francisquito Creek between San Mateo and Santa Clara Counties at Palo Alto Airport is nearing completion. WPA headquarters reported today. The project was inspected last Friday by County Engineer M. A. Grant and Deputy Engineer B. C. Welte of San Mateo County; L. H. Anderson and Arthur James of Palo Alto's engineering department, and WPA Director R. R. Parkinson of San Mateo County.

The rip rap bank consists of sacked concrete placed against the sloping bank of the creek and supported on a concrete footing. There is a backfill of broken concrete salvaged from Palo Alto street work. The rip rap is expected to eliminate damage to the airport from overflow such as that which occurred last year.

CHRISTMAS SHIP COMING HERE!

They're on their way—Santa Claus and Joey the Clown with the annual Shell Christmas Show, travelling in the good ship Lollypop and bringing presents for all good boys and girls. Pictures show the Lollypop en route here and Joey trying to imitate one of the mystifying magic tricks that will be performed by the ship's Captain. All performances are free—everybody is invited to attend.

The good ship Lollypop, bringing a cargo of treasure and a group of distinguished passengers, will dock here Saturday shortly after noon.

Santa Claus heads the passenger list. With him are Joey the Clown, favorite of all children, and the Lollypop's Captain who has collected new tricks of magic from all parts of the world to show his friends here.

Sailing through the city streets with pennants flying and music playing, the Lollypop will drop anchor and the annual Shell Christmas Show, which has become a holiday institution throughout the West, will be given on the ship's deck for the entertainment of local children.

"The Shell Christmas Show has been touring the West for ten years, spreading holiday spirit and bringing gifts to the youngsters," it was said by Shell's local manager, Carl Corcoran.

"The 1940 show is the best we have ever had. The show is traveling in a land-riding yacht, painted in gay colors and a sight long to remember. At the conclusion of the magic demonstration, Santa Claus will mysteriously appear and distribute a unique gift and a lollypop to every good boy and girl.

"Parents as well as children are invited to attend the Shell Christmas Show. Everything is free."

The local performance will be given at the Central School, Broadway at Middlefield Rd., Redwood City, at 12:30 o'clock—right after the conclusion of the Sequoia Theater's food show being staged Saturday morning under sponsorship of the Kiwanis Club.

Ocean Shore Organizer Promotes New Firm

A. D. Bowen, who in 1905 was an organizer and engineer for the old Ocean Shore Railroad Co., which built a railroad along the San Mateo County coastline, is one of the organizers of a new firm at Santa Cruz. The firm, Redwood Fibre Products, claims to be able to produce almost indestructible shingles and flooring from pulverized redwood bark. It will begin operations in January. The Ocean Shore Railroad Co. ceased operations in 1921 and since then has been engaged in extensive litigation concerning condemnation proceedings for Ocean Shore Hwy.

BODY FOUND ON COASTSIDE

On a report, relayed here by San Francisco police, that a body had been spotted lying at the bottom of a cliff near the Sharp Park Rd., in the north end of San Mateo County, Dep. Sheriffs Walter Moore and Adolph Waldeck were dispatched to the scene by the sheriff's office late today.

First of Concert Numbers Postponed

SAN FRANCISCO — The San Francisco Opera Association announces that due to a conflict in her itinerary the scheduled performance Jan. 5 of Lina Pagliughi, the "second Tetrazzini," has been postponed until sometime later in the season. The date has not as yet been fixed.

In the meantime, the association reports a demand for the Winter series that promises a volume business in concerts during the new year. With the postponement of the Pagliughi concert the first attraction on the series now will be the Don Cossack Choir, Thursday evening, Jan. 16 in War Memorial Opera House.

Under the direction of its well-known director, the diminutive Serge Jaroff, this famous organization is coming with a new repertoire of songs of Old Russia. Advance orders indicate a capacity audience.

The other four attractions are the violinist, Jasha Heifetz, Tuesday evening, Jan. 21; Gladys Swarthout, celebrity of the opera, screen and radio, Wednesday evening, Feb. 5; Marian Anderson, Feb. 11, and the famous Vladimir Horowitz, Feb. 13.

MENLO PARK NEWS NOTES

MENLO PARK—Just after the first of the year, a notable marriage is to take place in Menlo Park. The principals of the approaching wedding are popular and well-known both in Menlo Park and Atherton.

★ ★ ★

Special services will be held in all the local churches Christmas morning. A midnight mass will be celebrated at Corpus Christi Monastery.

★ ★ ★

Farmers are worrying because of the absence of robins, whose presence at this time of the year has always been considered a sure sign of a wet season. There are plenty of inducements for them to come from their homes in the North. The Toyon berry crop was never better and weather conditions are favorable. Oldtimers cannot solve the problem.

★ ★ ★

On Sunday afternoon, Dec. 29, at 3:30 o'clock the excellent choir of St. Agnes Church, San Francisco, will sing carols in the chapel of Corpus Christi Monastery. The public is invited.

★ ★ ★

Joseph Veverker, the Southern Pacific station agent here, is confined to the railroad hospital in San Francisco. He is suffering from a severe break-down. Joe has many friends in Menlo Park who hope his recovery will be speedy.

★ ★ ★

The duck season closed last Saturday after two months of extensive hunting on the local marshes. Hunters report the season a very successful one. The season for wild pigeons also closed last week. The birds are plentiful on the foothills and the Flood properties here.

★ ★ ★

A new and modern heating system is being installed in Corpus Christi Monastery. The work will be completed by Christmas.

★ ★ ★

Cooper Lake, formed on Merrill Ave. and Santa Cruz Ave. by the recent rains, is being drained off by a crew of men under direction of the superintendent of streets. Every year a body of water forms here, but the improvements now going on will obviate any further trouble.

★ ★ ★

Councilman Hugo May is quite ill at his home on Santa Cruz Ave. His many friends hope he will soon be able to continue his duties as street commissioner. He is an excellent official who gives freely of his time to the city's welfare.

★ ★ ★

E. M. Rankin, the well-known realtor and civic leader, and his bride have returned from their honeymoon spent at Santa Barbara. He was recently married to Louise Livesay of Palo Alto. The couple is establishing a home in Stanford Park.

★ ★ ★

The Christmas tree, sponsored by the city council Tuesday night on Santa Cruz Ave., was a decided success. Notwithstanding the downpour, hundreds came out to see Santa Claus and the huge tree nicely decorated and loaded with presents for all. A brief entertainment was given before the distribution of gifts.

Decayed leaves help keep moisture in the ground and hence are extremely valuable in preventing dry-weather injury to gardens.

57 Families To Get Food

Fifty-seven families in Redwood City will have a much happier Christmas this year due to the efforts of the Y. M. C. A. boys' club Christmas baskets.

According to Norbert Lambert, chairman of the "Y" Christmas basket project, final details have been arranged, and the baskets will be delivered Saturday afternoon. Names of the families have been furnished by the welfare department, which will eliminate any duplications of baskets of various organizations.

Y. M. C. A. boys have gathered food stuffs that would honor any table. Each basket will be filled with canned goods, fresh vegetables, chicken, fruit, and candy.

This project has had the backing of many service organizations in the city, according to Chairman Lambert, besides the contributions of "Y" club members. Donations from Exchange Club, Menokirk Club, Kiwanis Club, and the Redwood City Junior Chamber of Commerce have helped to develop the project.

Food stuffs will be received also from the children's show which will be held Saturday morning, Sponsored by Kiwanis Club. The Happy-Go-Lucky "Y" Club, led by Earl Whitaker, will spend its meeting time Wednesday sacking potatoes for the baskets. The Daniel Boone "Y" Club under Ben Leese, along with the junior and senior Hi-Y Clubs, led by Phil Maslin and John Depaulo, have spent much time getting the baskets ready. Fire Warden Bert Werder will help with the delivery of baskets.

The Indian population of Arizona is 51,800, the 1940 census showed.

Food for Needy

Details of Show, Basket Distribution Are Completed

With arrangements completed for the Kiwanis Club's show at Sequoia Theater Saturday at 10:30 a.m.; with potatoes that were provided by the Menokirk Club all sacked by YMCA Club members; with boxes ready and waiting for the foodstuffs that will be contributed at the theater, and with all details of delivery finished, the men and boys who have been working on food baskets for 57 needy local families have about ended their tasks for this year.

Admission to the theater Saturday will be one can or item of food. The entertainment at the show will include the feature picture, "The Star Maker," with Bing Crosby, and two cartoons, "Just a Lilltle Bull" and "What's All the Shootin' Fer?" in addition to community singing.

Adults as well as children are welcome to attend the show, acording to Manager Hal Honore.

As soon as the foodstuff is all in, it will be taken to the storeroom on Broadway where Hi-Y boys under direction of Norbert Lambert have been collecting food. He is being aided by Phil Maslin and John De Polo, leaders of the Junior Hi-Y and Senior Hi-Y, respectively. The Red Cross, Junior Red Cross, and others have helped in the annual project.

The Crosby film to be shown Saturday has been termed a singing cavalcade of show business. It casts Bing as a Tin Pan Alley song writer, a small time "hoofer" who believes that he can rise to the top in show business by taking talented kids from the sidewalks of New York and building them into great acts.

The cast includes Louise Campbell, Linda Ware, Ned Sparks, Laura Hope Crews and Janet Waldo. Walter Damrosch also is in the film, conducting the Philharmonic Orchestra of Los Angeles.

Station Burglary Laid to R. C. Man

Camelo Gonzales Agundez, 22-year-old Redwood City resident, was taken into custody Saturday night by Santa Clara police and charged with attempted burglary of a service station. Officers' suspicions were aroused when Agundez entered a restaurant with a freshly cut hand. They reported Agundez, after questioning, admitted breaking the glass door of the service station in an effort to get in. The local man also was accused of damaging a gasoline pump in an attempt to steal gasoline.

Smart - Useful - Modern

ELECTRICAL GIFTS

Eye appeal is important in Christmas Gifts. For Christmas is the season of glitter and tinsel and light and gayety. High in the list of Christmas Gifts that have eye appeal are the ever popular and useful Electrical Appliances.

Think of the eye appeal of a modern mirror-faced electric clock or a new and practical twin waffle iron or an automatic toaster that can be set to give toast of any complexion from blond to brunette, or a feather-weight, automatic hand iron with heat control that is an ever present ironing guide.

Here are gifts that sparkle with sentiment like a tear of joy and yet keep on giving homey practical usefulness for years to come. Dealers everywhere are making special displays of the latest in electrical appliances. See these displays when you go Gift Shopping.

Young S. F. Man Kills Self on Coastside

Apparently despondent over what appeared to be development of a cancer on his face, according to officers, Robert Schulte, 23, grocery deliveryman residing at 40 Norton St., San Francisco, shot himself in the head with a .22 caliber automatic pistol, Dep. Sheriff Walter Moore reported after investigating the discovery of the young man's body Monday afternoon on the Coast Hwy. at the entrance to Thornton Beach.

A party of motorists made the discovery, Moore reported. The body was visible from the road.

No notes were left by young Schulte, but "there was no doubt it was suicide," Deputy Moore said.

The bucina was a Roman musical instrument, the chief one used for martial purposes. By it the movements of troops were directed.

The term for a copyright is for 28 years, and may be renewed for 28 years more.

Condemnation Proceedings Against Buildings Delayed

Because respective owners will make necessary improvements, the Redwood City City Council will not take condemnation proceedings against several buildings.

The council was told Monday night by letter from Dr. C. C. Gans, health director for this city as well as the county, that such things as inadequate window openings, lack of sanitary facilities, and floors less than 18 inches above ground will be remedied.

This action was among numerous moves made by the council.

Trustees of the Redwood City Elementary School District will be asked to make improvements on its Jefferson Ave. property in the rear of Central School. The request is a result of Charles L. Huyck, clerk of trustees of the First Congregational Church, asking for heating facilities and janitor service in the old police station to afford Boy Scout troops a better meeting place.

Warnings of "no parking between signs" were ordered erected on standards flanking the sheriff's office at the county jail as a result of autoists in that one-hour parking area using space reserved for peace officers.

SPORTSMEN TO USE HALL

Peter Sorensen, contractor, was advised to confer with the city attorney's office regarding collection of assessments for sidewalk improvements in Central Park.

Redwood City Sportsmen's Club, through its secretary, George J. Zehender, was granted permission to use council chambers in the city hall Dec. 19 when the club is host to the Associated Sportsmen of California.

Mohawk Oil Co., represented by Charles McDonald, was given permission to erect a service station at Vera Ave. and El Camino Real.

Maude E. Huesties was granted her application to operate a restaurant at 939 Main St.

Health Director Gans asked the council by letter to inform city officials of a 90-day extension of the rabies quarantine.

City Librarian Wilhemina Harper invited the council to a Christmas party in the library from 1:30 to 4:30 p.m. Dec. 22.

TO INSPECT BUILDING

City inspection of a building on the southeast corner of El Camino Real, Spruce and Main Sts. was authorized on motion by Councilman Floyd D. Granger, seconded by Councilman William M. Werder.

Fire Chief Mark E. Ryan was asked to report at the next council meeting on the kind of insurance firemen carry on their private automobiles.

Werder reported negotiations for opening a street linking Oak and Redwood Aves. were nearing completion and a full report would be ready at the next council meeting.

The council approved routine claims totaling $10,694.82 and adjourned until 11 a.m. Saturday, at which time formal approval is to be given the official city map of recently annexed Friend Industrial Tract on Bayshore Hwy. east of Harbor Rd. The tract contains 50 acres.

Cassell Warns Drivers To Dim Headlights

Drivers who fail to dim their lights when other vehicles approach within 500 feet were warned today by Capt. E. F. Cassell of the Redwood City State Highway Patrol office that they are liable to prosecution under state traffic laws.

Captain Cassell said motorists in this county had been lax in observing this law and that a number of accidents, particularly on El Camino Real and Bayshore Hwy., had been caused by this laxness.

"If there is not more compliance with the law we will have to start a drive on violators of this law," the patrol captain declared.

S. F. Woman Arrested After County Crash

Mrs. Frances O'Callaghan, 48, of San Francisco, was released on $100 surety bond Monday after spending three hours in the county jail on drunk driving charges. She was arrested by Highway Patrolman Jack Quinlan after an accident on Skyline Blvd. near the Half Moon Bay road in which Milton and Joseph Silva of Miramar, passengers in a car driven by Julius H. Barsuglia, 21, of Half Moon Bay, were injured. Both received cuts and bruises. Mrs. O'Callaghan suffered lacerations of the forehead, according to the highway patrol report.
